

## NEW CAMPAIGN FOR POLICE-FIREMEN'S PENSION ACT BEGUN

Representatives of Civic Bodies  
Pledge Their Support to the  
Movement.

Legislation was introduced at a smoker and banquet at Pythian Temple, the occasion was the installation of newly elected officers of the Police and Firemen's Association of the District of Columbia. Beneath the merry-making and the vaudeville which provided entertainment for the hundreds of members and their guests there ran a serious vein for the bluecoats' hope that the meeting might mark the beginning of a successful fight before Congress at the present session for an adequate pension and retirement fund.

**Success Predicted.**  
Congressman Helgeson of North Dakota, assured the policemen that he and many of his fellow-members were not unfriendly to the plan. Commissioner Louis Brownlow predicted a successful fight. P. T. Moran, president of the Chamber of Commerce; E. F. Colladay, president of the Federation of Citizens' Associations, and others pledged the support of their organizations.

The installation of officers was presided over by William S. Shelby, of the Fourth precinct. The new officers are: President, C. E. Smith, of the Tenth precinct; vice president, "Wash" Sanford, of the Ninth precinct; second vice president, William J. Mahoney, of the Sixth precinct; recording secretary, George W. Sellers, of the Fourth precinct; financial secretary, J. E. Wilson, of the Third precinct; treasurer, C. P. M. Lord, of the Tenth precinct.

Expressing a hope that any new pension law which may be enacted during the coming session would eliminate Police Court fines as a source of revenue, Commissioner Helgeson presided confidently.

that the measure now being prepared for the consideration of Congress will avoid the mistakes which he and his fellow officers have made in the past. "All the citizens' associations are in favor of adequate pensions for the police and the firemen," declared E. F. Colladay. "They have done so in the past, and we must now work toward the enactment of the legislation."

Eighteen new members were elected. Among them was Inspector of Detectives Clifford L. Grant. The admission of these members and the reinstatement of fifty-three former members, brings the roster to a total of 461.

President C. E. Smith, in his address to the association, advocated harmony and concerted effort on the part of the members. George W. Sellers discussed "Preparedness," and declared there is in the United States today an army of 250,000 policemen, "the greatest home guards ever enlisted."

Refreshments in abundance were served. Among those who furnished the entertainment were Arthur Wilcox, cornetist, and the Marine Band orchestra and Mrs. Clara Necker. Thomas Murray, James H. Nolan, Milton Henry, Charles Meyers, Frank Meyers, Gus Schmidt, Billy Heath, and Samuel Richards, vocalists.

Responsible for the good time were the following heads of committees: Refreshments, Gus W. Brähler; liquid refreshments, Gus Brähler; reception, Fred J. Morshimer; talent, Edward Hutchins; novelties, William I. Evans; waiters, H. M. Peter; printing, James L. Ward; Frank N. Whitehead was master of ceremonies, Henry Hull, chairman; Leon Strauss, secretary, and Charles Caldwell, vice chairman of the "safety first" committee.
